Youth In Mission Summit 2007

Jesus said, "Go ye therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit ..." to the new believers, however that very same message was given to people from the beginning of God's world.

"Go Ye Therefore..." Youth In Mission Summit 2007 is about centering in on your discipleship for Christ; discovering where God is already working and where in the world you fit into His plan. We will be exploring God's Word through many means, probing the "world views" of peoples outside the Western world, examining our potential platforms for ministry, and taking a close look at what the Moravians are doing around the globe and where your skills might be needed or developed.

Are your passion or skills in Agriculture? Mathematics? Biology? Sports? Teaching? Music? People? and/or something else? Do you have a need to help others and are looking for the right place to plug in? Would you like a better understanding of where God is calling you? The Youth In Mission Summit is where you belong on August 31st-September 3rd, 2007.

The setting, Laurel Ridge Camp and Conference Center is totally conducive to communing with God, and you will meet new and life-long friends in the process.

COST: Free!

TRAVEL: Fly into Piedmont/Triad Airport (Greensboro). Carpools will be arranged where possible.
